The world is closing in
E B E
So I am standing still
FisM E B
I close my eyes to see
A B E
That you're still here with me

I fix my eyes on you
Like I always do
There's no place else for me
Yes, you're still here with me

A B E
How I love to be with you
A B E
In this place you see me through
A B CisM
Your beauty melts away my fears
FisM
Restores my heart
B
Heals my soul
