

SURROUNDING ME

Exley Meyer

I could go anywhere **Fis**
 Couldn't hide from Your face **Dism**
 You're as close as the air **B**
 You're not bound to time and space **Cis**

 I could not fall so far
 That Your hand couldn't reach
 And wherever I am
 You're with me till the end of days

 Even though I feel forsaken **CisM** **DisM**
 And my heart is sad and torn **GisM** **DisM**
 You've been there each step I've taken **Cis**
 In the middle of my storm **Cis**

Fis
Wherever I go
You're all surrounding me **B**
Even if I loose my way **GisM**
You will still be here with me **Gis**

Wherever I go
You're all surrounding me
Even when I cannot see
Every moment you'll be leading me
