

WHO ARE YOU

Music by Dominik Laim, Lyrics by Debora Sita

110 Bpm, Key of Bb

Verse 1

Who are you that wind and waves obey your word
Who are you to walk on stormy seas
Who are you to lift me up and give me worth
That my heart will come alive in you

Pre Chorus

Who are You
Who are You

Chorus

You're majesty
You're holiness
You're king of kings
You're glorious
This glory reigns
Above time and space
You still are God

Verse 2

Who am I to question your authority
Who am I to doubt your love for me
When I know that every fibre of my heart
Sings a song of mercy found in you

Pre Chorus 2

What have I
Left to say

Bridge

You say what no eye has seen
No ear has ever heard
Is what you have prepared
For those who trust in you
