## Verse 1

More than gold  
More than life  
More than fame I seek You lord  
More than all  
My hopes and plans  
Your way is what I'm living for

## Verse 2

'Cause all You are  
Your blameless heart  
Is what my soul is longing for  
To come undone  
Inside Your arms  
Where my shame was overcome

## Chorus

Here's my heart it belongs to You  
My every part  
Broken open before You God  
Safe where You are  
Jesus how I adore  
Only You are worthy  
Here's my heart it belongs to You  
To You

## Bridge

Now I've come here to surrender all to You  
Take my life Lord and use it for your cause 2x
