

WHAT WE WANT

Music & Lyrics by Joël Vögeli

B

You made me

C#m

You loved me

E

Long before I knew of you

B

You sought me

C#m

You found me

E

You took me on

G#m / F# / E / E /

You made me who-ole

G#m / F# / E / E /

Who-ole

B
We declare our love for you
F# **C#m**
You are the one who made us new
G#m **F#**
You're what we want
B
You reconcile You heal our lives
F# **C#m**
There's not a thing you can't revive
G#m **F#**
You're what we want
B / C#m / E / E /
You make me whole

B
From guilty to ransomed
C#m
From captive to free
E
From dead to alive
E
I was blind now I see
